## **WELCOME BACK 2019-2020**

### Greetings!

I am so excited for the school year!

My name is Kimberlee Guerrero and I am thrilled to be here at Rooster Springs Elementary School. I look forward to establishing a positive relationship with each of you- working together with the faculty and staff to maximize the academic, social, and emotional abilities of your child. While I cannot promise perfection at every turn, I can assure you that I will work hard each and every day to provide your son or daughter with the best possible guidance as they progress in their school experience.

Here's what I do at our school:

**Care Class-** I visit with classes each month to teach social-emotional skills such as feelings, communication, problem-solving, diversity, respect, etc.

**Small Group Counseling -** I facilitate small groups for students who need a little extra support in a certain area.

**Individual Counseling -** I meet with students short-term to work through problems affecting them at school.

**Consultation with Staff/Parents -** I am available to meet/talk with teachers and parents to help support students and provide resources and education about issues affecting children.

### Here's what you should know about me:

I am ONE part of the team that works to help your child succeed.

I like to get to know ALL students so they may feel connected and safe while they're with us.

I respect your right and your child's right to privacy. Confidentiality is a big part of my job.

I love it when parents reach out to me for questions, concerns, and to share positive things about your child.

I love the work that I do and feel very passionate about helping children become respectful and responsible citizens!

How can I help my  
child **SUCCEED** in  
school?

Stay involved and feel free to contact your child's teacher with any questions or concerns.

Ask your children about school and encourage them to talk about their day.

Do not talk negatively about your child's teacher or school.

Read with your child **every** night.

Make sure your child is getting plenty of sleep and is ready for school each day.

Help your child with his/her homework **every** night.

Teach your children to be responsible for their actions and their schoolwork.
